Scholarship Evaluation: Good; basic policy statements for period 1948 - 1949

Review: A compilation of editorials, reports, decisions, and addresses during the Sixth Plenum of the All-China Federation of Labor which was held in August 1948. These documents, including addresses by Ch'en Yun, Li Li-san, and Chu Hsueh-fan, reflect the labor policy for the liberated and nonliberated areas. While the policy for the nonliberated areas is keyed to the political and military necessity of destroying the KMT, the policy regarding liberated areas is directed to increase production. Also includes the decisions of the All-China Federation of Labor regarding wages, hours, health and safety measures, apprenticeship, and the constitution of the organization, as well as the provisional regulation of the Northeast People's Government on Labor Insurance.
